SUMMARY

Final-year BE Information Science student with a strong interest in software development and Artificial intelligence. Certified Generative AI certifications, with hands-on experience in academic projects and AI Projects and eagerness to contribute in AI-driven software roles.

EDUCATION

2022-2026	BE-Information Science	East West Institute of Technology, Bangalore	8.31 (Till 7 th)
2020-2022	Pre-University (PCMB)	PES PU College, Shivamogga	
2019-2020	10 th State Board	S S S S H S, Ajjampura	

SKILLS

- **Languages:** Python, Java, C
- **Generative AI:** Data science, Artificial Intelligence, Agentic AI, LLM with Prompt Engineering
- **Web Technologies:** HTML, CSS, JavaScript, Bootstrap
- **Data Visualization Tools:** Power BI ,Tableau
- **DataBases:** MySQL, MongoDB
- **Soft Skills:** Communication, Teamwork, Leadership, Time Management

ACADEMIC PROJECTS

- **Smart CPR Glove – IoT-Based Wearable Device:** Developed a wearable glove using ESP32 and biomedical sensors (SpO2, ECG, heartbeat, temperature) to assist CPR with real-time feedback through buzzer and LCD display. Integrated an air pump for automated chest compressions and emergency alert system along with real-time location of Patient to predefined contacts via Telegram.
- **TravelEase:** Built a Java and MySQL-based system to manage bookings, customer details, hotels, and tour packages with streamlined database integration.
- **SmartFeedback AI:** An Agentic AI system that automatically analyzes user feedback from multiple sources and generates structured, prioritized tickets through an interactive web dashboard.
- **StorySphere-AI:** Developed a multilingual storytelling web application using Streamlit and OpenAI for story generation, real-time translation, text-to-speech, and AI image generation.
- **Delicious Bites:** Designed and implemented a responsive frontend website using HTML, CSS, Bootstrap, and JavaScript, optimized for performance and usability.

CERTIFICATIONS

- Python programming Expert & Python for Data Science Professional -**Edureka**
- Web programming and Technologies, Java Programming- **Ethnotech**
- LLM with Prompt Engineering & Agentic AI -**Edureka**
- C Programming -**Infosys SpringBoard**

ACHIEVEMENTS / EXTRA-CURRICULAR

- Certified participant of the National Conference on Recent Innovations in Engineering (NCRIE) held at KSIT College. Gained exposure to emerging engineering research and technologies.
- Participated in the 2024 & 2025 Project Expo at East West Institute of Technology, presenting an innovative academic project.
- Published a project journal paper in IJSREM. Gained experience in research documentation and technical writing.
- Served as Coordinator for college Cultural Fest, Technical Fest, and Farewell, managing event planning and execution while demonstrating leadership and teamwork
